GENERAL INFORMATION

We All Shine Productions is looking for collaborating artists of any and all disciplines to be involved in its upcoming Halloween production. The theme for this production is "the macabre", so please ensure your work fits in with this theme.

As We All Shine Productions will be presenting a live digital performance, we encourage artist submissions that can be pre-recorded or presented live over Zoom.

This is a NON-UNION, unpaid production. Everyone involved with We All Shine Productions are volunteers.

Our digital performance, which will be performed live over Zoom on October 22, 2022 at 8pm ET, will be free to watch and viewable over YouTube. In lieu of charging for tickets, we will have an option for audience members to donate to our GoFundMe. We will donate 50% of the proceeds to the charity True North Aid.

Our goal is to work with artists to create a community of creatives and cross promote one another. Chosen participants will have their website and social media pages added to our collaborators page, and will be tagged and promoted in our social media posts.

For anyone who wishes to perform live on Zoom will be required for mandatory dress rehearsals prior to the performance date.

If you have any questions, free to email: weallshineproductions@gmail.com
