We All Shine Productions is looking for collaborating artists of any and all disciplines to be involved in its upcoming spring production. The theme for this production is DEITIES so please ensure your work fits in with this theme.

As We All Shine Productions will be presenting a live virtual performance on zoom on April 2, 2022 at 8pm EDT. We encourage artist submissions that can be pre-recorded or presented live over Zoom.

This is a NON-UNION, unpaid production. Everyone involved with We All Shine Productions are volunteers.

Our virtual performance, which will be performed live over Zoom on April 2, 2022 at 8pm EDT, will be free admission and viewable over YouTube.

Our goal is to work with artists to create a community of creatives and cross promote one another. Chosen participants will have their website and social media pages added to our collaborators page, and will be tagged and promoted in our social media posts.
